Participant Profile ~ Becky Beach

Becky has been coming to **Escape** almost since it started and comes to all our events. She likes to learn new things, enjoys the variety of activities and that everyone is friendly.

As a very regular member she has made a number of artistic pieces over the years. She has recently put her **Escape** creations to good use in decorating her new home.

Becky has also started a new job answering the phone and general reception duties at the Saltway Centre in Stratford upon Avon.

Happily, she will still be coming to Stratford Escape on Wednesdays.

Becky during sweet making session, making gifts and some of her Escape creations in her new flat.

Message from Ali

Ali would like to thank all those who have covered sessions for her during recent weeks: Isobel Bridges, Barbara Mills, Kate Bates and Barbara Saunt.

Activities and Workshops

Following a very successful Celebration evening in March, all groups have been developing work for the summer exhibitions and events with Ali Allen, Suzanne Peacock, Ros Ingram, Spencer Jenkins, Jane Green and Robin Wade...
